

Website terms and conditions

This website and other OTC Publications websites which link to this page are owned by OTC Publications Limited (“OTC Publications”).

Use of our websites

Please read the following Website Terms and Conditions, which relate to information regarding general use of our websites. By using our websites, you are agreeing to these Terms and Conditions, whether as a guest or as a registered user. By using our sites you are indicating you accept these terms of use and that you agree to abide by them. From time to time we may change these Terms and Conditions, and will post revisions on this website. We recommend that you read these Terms and Conditions prior to using our sites and thereafter regularly review any changes.

If you have purchased a licence, subscription or otherwise entered into an agreement with us, you will also be governed by the terms of that agreement, which shall prevail in the event of a conflict. Online purchases have additional terms and conditions relating to the transaction as indicated on the relevant website.

Privacy

Use of the data that you provide us, or which is collected by us on our websites, is governed by our Privacy Policy. By using our site(s) you consent to such processing.

Access to OTC Publications websites

We try to ensure that website availability is uninterrupted and that transmissions will be error-free. However, we cannot guarantee that your access will not be suspended or restricted from time to time, including to allow for repairs, maintenance or the introduction of new facilities or services. We of course try to limit the frequency and duration of any suspension or restriction.

Accounts and passwords

If you have registered or subscribed to an OTC Publications website, any user identification code or password must be kept confidential and used only by you (unless agreed in writing with OTC Publications). We have the right to disable any user identification code or password, whether chosen by you or allocated by us, at any time if in our option you have failed to comply with any of the provisions of these terms of use.

Intellectual property rights

The content, layout, design, data, databases and graphics on this website are protected by UK and other international intellectual property laws and are owned by OTC Publications. Unless expressly permitted in writing in a licence agreement, and other than printing a small proportion of content or displaying this on your screen or both, (strictly for your personal non-commercial use), no part of the website may be reproduced, stored in any medium,

including but not limited to a retrieval system or transmitted, in any form or by any means (electronic, mechanical, photocopying, recording, broadcasting) nor, shown in public.

You may not create any derivative work nor make any other adaptation without our prior written consent. You must not modify the copies you have displayed or printed in any way and you may not use any illustrations, photographs, videos or audio sequences or any graphics separately from any accompanying text. Any permitted use of our material is subject to ensuring that our copyright notices and trademarks appear as they do on all copies online and the URL to the relevant OTC Publications website is included. If you print off or download any material from our website(s) in breach of these terms of use, any rights to use our site(s) will cease immediately and you must at our option return or destroy any copies of the materials you have made. All rights not expressly granted in these terms or any express written licence are reserved.

The trademarks and logos which are displayed on the websites are the trademarks of OTC Publications Limited. Any use including framing, metatags or other text utilising OTC Publications Limited's trademarks or other trademarks displayed is strictly prohibited without our express written consent.

Permission for use of our intellectual property

Any request for permission to use our content or images, or other use of our intellectual property not authorised under a subscription, should be made to OTC Publications Limited.

Links

Our websites contain links including hyperlinks which may take you outside OTC Publications' websites. Links are provided for your convenience, and an inclusion of any link does not imply endorsement or approval by us of the linked website, its operator or content. We have no control over the contents or functionality of those sites and accept no responsibility for any loss or damages that may arise from your use of them. We are not responsible for any website outside OTC Publications' websites.

You may not establish a link to any OTC Publications website which suggests a form of association, approval or endorsement on our part, unless we have expressly agreed to this in writing. We reserve the right to withdraw any linking permission upon notice to you or by amending these terms and conditions.

Browsers

You are permitted to use one of the popular 'offline browsers' that allow you to download content from a site and read it later, but this permission extends to only a small proportion of content, strictly for your personal non-commercial use.

Disclaimers and limitations of liability

Disclaimers

a) General disclaimers

Description or reference to a product or publication does not imply endorsement of that product or publication, unless it is owned by OTC Publications. In this case, it is subject to the disclaimers and limitations of liability herein and within any licence or other agreement with you, the latter of which shall prevail in the event of a conflict. To the fullest extent permitted by law, the material and information displayed on our websites is provided “as is” without any guarantees, conditions or warranties as to accuracy.

We try and ensure our websites are available for use 24 hours a day, 7 days a week, other than for a small period for scheduled down time. However, we do not warrant that at other times our websites shall be available. To the fullest extent permitted by law, we shall be not be liable to you for damages or refunds should our sites become unavailable or access to a site becomes slow or incomplete due to system back-up procedures, internet traffic volume, upgrades, overload of requests to the servers, general network failures or delays, or any other cause which may from time to time make any of our websites inaccessible to you.
